Vilnius: Žirmūnų g. 68; tel/fax+370 5 2771177

E-mail: vilnius@aurika.lt; www.aurika.lt

Packaging and label manufacturer, a modern, reliable and leading flexographic printing house in the Baltic countries.

**Activity** – manufacture of packaging and labels.

**Production: flexible packaging** (film) for food, chemical, pharmaceutical and other product packing. **Labels:** self-adhesive, in-mould (in a plastic cup), wrap - around (for plastic bottles), peel-off, bio – degradable, labels with Braille texts, price labels, self-adhesive blanks, stickers on A4 sheets. Aluminum foil tape (blister), aluminum foil lids. Ticket rolls. Price tags, applicators and their repair. Average production time with delivery – 5 days. In exceptional cases, we can make products within 24 hours.

**Printing:** flexographic printing on roll raw materials. Ultra high printing quality.

**Post-printing options:** silk screen printing, foiling, varnishing, cutting, creasing, glue neutralization, perforating, folding, numbering, hot stamping, lamination, printing on adhesive, double-layer labels.

**Certificates:** ISO 9001:2008, ISO 14001:2004, Good Manufacturing Practice, Creditinfo certificate “Strongest in Lithuania – 2012”.

**Most significant awards:** “**Successfully Operating Company – 2012**”, “**Brave investments-2012**”, “**German economy awards in Lithuania 2012**”, “**The company of knowledge economics - 2013**”.

**LISPA awards:** “**Leader – 2011**”, “**Lion of Press – 2011**”, “**Innovative Company – 2010**”.

**Facts:** sales 2013 exceeded 25,7 million EUR. Exports accounted for 56% of total turnover.

**Main export destinations:** Germany, Poland, the Baltic countries, Scandinavia, Russia, Belarus, Ukraine.

## BALTIC PACK, JSC

Ateities pl. 40, LT-52112 Kaunas

Tel.: +370 37 3020506 fax.: + 370 37 302055.

E-mail: info@balticpack.lt; www.balticpack.lt.

**Activity:** food packaging materials, services, equipment, food packaging technologies, additives for food and beverages.

### **Production:**

1. Vacuum bags without printing and printed by 8 colors, could be of PA / PE, PET / PE, OPA / PE, PET / PE / EVOH / PE materials.

2. Shrink bags for meat industry of the 11 layers co-extruded material with especially high mechanical resistance to punctures and sealability through wrinkles overlapping. Up to 6 colors printing.

3. Bags of CPP, LDPE, BOPP with (up to 6 colors) flexographic printing for bread and pastry, fresh salads, fruit and vegetables.

4. Paper bags are made from white and brown paper (40g grammage) with the inserted microperforated polypropylene window for packing bakery and confectionery products. Paper bags made of white paper (40g grammage), covered with fat proof layer and intended for meat and fish products and semi-finished packaging.

**Export:** Latvia, Estonia, Russia, Czech Republic, Kyrgyz Republic, Finland, Ireland.

**Retail:** packaging materials for thermoforming equipment and “flow pack” wrapping machines, PP, EPS and aluminum packaging containers, nets and raschel bags for vegetables, spices and additives for the meat and fish industry, cultures and bio-protective cultures for the dairy industry, aromas for food and beverage industry, packaging equipment, technological equipment for the food industry.

**Certificate:** Good Manufacturing Practice Certificate 25/01/2013 No. 13-01

**Exhibitions:** AgroProdMash Moscow 2011-2013, WorldFood Kazakhstan 2012, WorldFood Uzbekistan 2012.

## FASA, JSC

Sporto str. 9, LT-68108 Marijampole, Lithuania

Tel.: +370 343 70562, 70481; fax: +370 343 70469.

E-mail: administracija@fasa.lt; http://www.fasa.eu

### **Activity:**

manufacturing of various packaging equipment for food production industry; enrobing machines and cooling tunnels for confectionery industry, glazed curd cheese and fibrous cheese fingers production and packaging lines, their repair, spare parts and service.

### **BALTGINA, Ltd**

K. Naruševičiaus g. 105, Molainių km.,  
Panevėžys, LT – 37175 Lietuva.  
Tel. +370 45 429044, +370 45 429045  
E-mail.: baltgina@baltgina.lt; <http://www.baltgina.lt>

#### **Activity:**

selling of packaging equipment and materials for food products;  
tare – plastic boxes and trays, industrial repositories, large volume containers, storage boxes; disposable use hygienic means and shoes;  
electronic scales for various weights.

**Production** – various kinds of trolleys for industrial repositories and boxes, stainless steel repositories; projection and producing of electronic weight systems;

### **DILGUVA, Ltd**

Palemono g. 7, LT-52158 Kaunas, Lithuania.  
Tel./fax: +370 37 373076. E-mail: [pranciskus@delfi.lt](mailto:pranciskus@delfi.lt)

**Activity:** transport services: +370 37 373076;

rent of trailers: +370 37363662;

woodworking machines: +370 37 373076;

plastic boxes: +370 37 373076;

technical gas, selling, rent: +370 37 373247.

### **GEROVE, JSC**

Draugystės str. 19, LT-51230 Kaunas.  
Tel. +370 37 455674; fax.+370 37 312815.  
E-mail.: [gerove@maiseliai.lt](mailto:gerove@maiseliai.lt); <http://www.maiseliai.lt> ;  
<http://www.packagingemigration.com/en/intro/>

#### **Activity:**

**Products and services:** JSC Gerove is a producer, recycler and wholesale operator of various packaging solutions for European countries. Products: LDPE, MDPE and HDPE (low, middle, high pressure) film; Bags: T-shirt, cut over handle, patch cut oval handle, with/without side fold, with/without bottom gusset, soft loop handle bags, turn over top handle; Plastic products with flexo printing up to 6 colours; different size garbage/waste bags in rolls and loose; plastic products with degradable additives „OXO-BIO“; products from recycled secondary raw polyethylene materials.

**Advantages and strengths:** reliability, professionalism, experience since 1991; Wide range of packaging products; Flexibility in order size and short production time, Closed production cycle from collection, recycling and production;

**ECO – friendly products production.**

### **BALTVITA, Ltd**

Vytenio g. 50, LT-03229 Vilnius, Lithuania  
Tel./fax: +370 5 2332270. E-mail: [info@baltvita.lt](mailto:info@baltvita.lt) ;  
<http://www.baltvita.lt>

#### **Activity:**

production and wholesale of various plastic packaging. Plastic packaging produced from clear or colored polystyrene and polypropylene is used for the packaging of following foodstuffs which temperature are below + 95° C - ketchups, products with sauces and marinades, brines, oils; jams, dairy products, mayonnaises, vegetable salads, confectionary products, honey and its products, sugar, syrups; for packaging of industrial products - putty, dye, diluents, various pour materials, mechanical details, etc. We are selling: – containers from 120 ml to 1150 ml; – buckets from capacity of 0,8 l to 20 l.; we are covering print on the packaging by the desire of customer – it could be four colors. We produce the newest kind of print “IML” on buckets capacity 0, 8 l and 1, 0 l, and all range off buckets with offset print. We are selling also - natural food colors, dry cultures, rennet, emulsifiers, stabilizers, modified starch, spices. Company have certificate of quality system ISO 9001:2000 / LSN EN ISO 9001:2001.

### **BALTIJOS POLISTIRENAS, Ltd**

S.Lozoraičio g. 15A, Garliava, LT- 53229 Kaunas district, Lithuania

Tel.: + 370 37 55 14 23, 55 15 18

Fax: +370 37 55 10 15

E-mail: [info@balpol.lt](mailto:info@balpol.lt); <http://www.balpol.lt>

#### **Activity:**

in new plant of shape moulding “Baltijos polistirenas”, Ltd produces different packages for domestic electric appliances and food. These packages are reliable, strong, chemical neutral, heatproof and waterproof, protects against vibrations and falls. Plant is build according modern technologies. Moldings of different forms, densities and colors are available. The modern expanded polystyrene production line installed in our plant ensures high quality products. Since year 2004 in company is implemented Environmental Protection and Quality Management System according standards EN ISO 14001:2004 and EN ISO 9001:2000.

### **LISIPLAST, JSC**

Artojų g. 8, LT-62175, Alytus, Lithuania  
Tel.: +370 315 77188, 77139; fax: +370 315 77333.

E-mail: [info@lisiplast.lt](mailto:info@lisiplast.lt); <http://www.lisiplast.lt>

#### **Activity:**

polystyrene glasses and aluminum foil lids for food industry, trays and dishes, cutlery.

### **ELTAKA, Ltd**

Žirnių g. 12, LT- 02120 Vilnius-30, Lithuania  
Tel./fax: +370 5 2152230, 2152233  
E-mail: pack@eltaka.lt; http://www.eltaka.lt

#### **Activity:**

paper bags (for powdery products, bread and confectionery). Greaseproof paper bags for hot foodstuffs. Production and wholesale. Flexoprint. Envelope bottom bags( for bread, confectionary, herbs, etc.). Bags with PP window. Bags from laminated paper (for hot grilled products), with/without print. Block bottom bags – regular (for flour, sugars, etc.), two-ply paper bags (for spices, coffee, tea). Bags with various shapes of windows, with/without print.

### **MAKSIMA, Ltd**

Palemono str. 1 B, LT-52159, Kaunas  
Tel.: +370 37 37 30 30; faks.: +370 37 37 34 68  
E-mail: info@maksima.lt; www.maksima.lt

#### **Activity:**

manufacturing of different capacity (from 120 ml to 2000 ml) thin-walled containers with lids from high-grade polypropylene. Containers are suitable for foodstuff and other products packaging. The manufacture is based on injection moulding technology. Equipment is made in Swiss, German, Canada's, Japanese and Italian companies. We are able to produce transparent, coloured and decorated containers with moulded labels. In mould label is resistant to heat, cold and humidity. Excellent product appearance remains during the all package shelf life. Unlimited printing capabilities provide competitive advantages to our customers. The main export directions are: Western and Eastern Europe.

Professional and committed team is eager for serving and satisfying the need of the customers. The experience, reliable partners and modern equipment allow us to compete with the strongest players in the market.

**Certificates:** ISO 9001:2008

**Awards:** Winner of AgroBalt® 2005 medal.

### **EKOLOGINĖ SFERA, JSC**

Kužių miestelis, Šiaulių rajono savivaldybė

### Activity:

production and sales of polypropylene big bags (flexible intermediate bulk containers) and other production from polypropylene fabric; production according to individual requirements;

### Production and its application:

500-2000kg polypropylene big bags: one, two and 4 loops.  
SF 5:1, SF 6:1.

Polypropylene big bags (flexible intermediate bulk containers) designed for packing, transporting and storage of the following products: various fertilizers, chemicals, wood and plastic pellets, compound feed, seeds, second-hand clothing, construction materials (cement, mortar, rocks, sand rubble) and other bulk products (hazardous or no), as well as food products (grain, flour, sugar, various vegetables).

### Certificates:

ISO 9001, ISO 22000(HACCP), OHSAS 18001

### Main export destinations:

Estonia, Latvia, France, Sweden, Finland, Germany, Poland, Great Britain, Russia.

## REPRODUKCIJOS SPALVOS, UAB

Chemijos g. 29, LT-51333 Kaunas, Lietuva  
Tel.: + 370 37 408865; fax: +370 37 408867  
E-mail: flekso@repro.lt; www.repro.lt

**REPRO** is a group of printing professionals with a huge experience in offset, flexography and digital printing as well as prepress and finishing processes gained over the years since 1995. We use modern technologies and apply efficient process management. We undertake work for Lithuanian and foreign clients. Our sincere interest in clients, co-workers or partners enables us to strive for becoming the best for those who choose to work with us.

### Activity:

Printing and prepress, finishing service activities related to printing. Manufacture of packages and labels.

### Production:

**Flexographic printing** is used for the production of a variety of products in rolls: adhesive, wrap-around labels, label blanks and flexible packaging used for a range of industrial products, including food products. Raw materials by EU manufacturers that meet the highest quality standards are used in production.

**Offset printing** is used to manufacture a range of sheet-fed labels, packaging, catalogues, brochures, magazines, books as well as advertising and promotional sales printed products. We print on papers, cardboards, plastics, films as well as special-finish, metallised and textured materials.

**Digital printing** is the most effective technology when there is a need for an innovative solution, a small print run, a non-standard format, personalised items or when there is an urgent order. This technology is applied to produce labels, packaging, various publications, advertising materials and unique custom-made photo wallpapers.

**Finishing services.** Roll printing: lamination, UV varnishing, cold foiling, cutting, perforating, numbering or other variable data, duplex printing. Sheet-fed printing: varnish coating (UV, blister, scented, dispersion, offset, heat resistant and other varnishes), lamination, foil coating, die-cutting, creasing, numbering, gluing, stitching, etc.

### Our goals and values:

High quality printing services and products that meet all applicable requirements.

A competent team of staff in continuous professional development and sharing of experience.

Strong relationships with all partners: customers, clients, suppliers and other colleagues.

Modern technologies, facilities and infrastructure as well as efficient process management.

Focus on environmental safety and the culture of corporate social responsibility.

# IOCO Packaging, JSC

Stoties str.42, LT-35106 Panevėžys  
Tel. +370 45 508526; faks. +370 45 510696
