

After Accenture's [Stephane Pique](#) has painted the Digital Future of Retail and Consumer Goods Companies, the exhibitors at the AIPIA Congress will be welcoming you.

See here the most innovative companies servicing the packaging industry. You can meet them in Amsterdam and learn all about your next step in packaging innovation. The upcoming World Congress on Active & Intelligent Packaging is bursting at the seams of Tag and Indicators, Nano technologies, Consumer Engagement platforms, Brand Protection technologies, Printed Electronics, Smart Labels and High Tech Food Waste solutions. Do not stay at home but [register](#) today.

[See the AIPIA Exhibitors here!](#)

Kind regards,

Eef de Ferrante

Managing Director AIPIA
